SUPPLEMENTARY INFORMATION:

Background

On August 1, 2017, the Department of Commerce (the Department) published the June *Initiation Notice*¹ in which the Department inadvertently initiated an antidumping duty administrative review of Polyester Staple Fiber from Taiwan (A-583-833) covering the period May 1, 2016, through April 30, 2017. The Department did not intend to initiate a review with respect to this order. Instead, the Department intended to correct the May *Initiation Notice*² in which the Department inadvertently included TFM North America, Inc. in the initiation notice with respect to the antidumping duty administrative review of Certain Stillbenic Optical Brightening Agents (A-583-848) covering the period May 1, 2016 through April 30, 2017. The Department only intended to initiate a review with respect to Teh Fong Min International Co.

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*; 82 FR 35749 (August 2, 2017) (*June Initiation Notice*).

² See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*; 82 FR 31292 (June 6, 2016) (*May Initiation Notice*).

Ltd. In addition, in the June *Initiation Notice* the Department misspelt Teh Fong Min International Co. Ltd. as The Fong Min International Co. Ltd.³ This notice serves as a correction to the June *Initiation Notice*.
